 - (7) All license fees shall be paid to the Village Treasurer not later than May 25 for those applicants seeking licenses effective July 1 in any year. All other license fees shall be paid to the Village Treasurer on date of application.
- (D) **LICENSE YEAR:** The license year shall be from July 1 to June 30 following.
- (E) **LIMITATION OF NUMBER OF LICENSES:** Only one Class "B" intoxicating Liquor license shall be granted for every 500 inhabitants or fraction thereof in the Village; provided, however, that the Board, in its discretion, may continue to grant such licenses in a number not to exceed those authorized pursuant to the provisions of Wisconsin Statutes Section 125.51. After the number of such licenses corresponds to the above limitations, the Board shall grant no such licenses, except as follows:
- (1) To any qualified applicant who, at the time of his application, is the holder of such a license and is actively engaged in business.

- (2) To any qualified applicant who has procured the surrender and cancellation of any other such license from a license holder who has been actively engaged in business within thirty (30) days of the date of the application.
- (3) To the heirs, executors, or administrators of any licensee who shall die or become incompetent, or to any qualified applicant nominated by such heir, executor or administrator, by sale of, or contract to sell, the licensed business.
- (4) To any otherwise qualified applicant who has obtained Village Board authorization to file with the Village Clerk a Class “B” intoxicating liquor license application.

(F) **LICENSE APPLICATION:** Application for a license to sell or deal in intoxicating liquor shall be made in writing on the form prescribed by law and shall be sworn to by the applicant as provided by Wisconsin Statutes Section 125.04 (3), and shall be filed with the Village Clerk not less than 15 days prior to the granting of such license. Said application shall be accompanied by the cost of publication as stipulated by Wisconsin Statutes Section 125.04 (3). Application for a temporary “Class B” license to a church or an organization associated with a church shall be made in writing and filed with the Village Clerk not less than seven (7) days prior to the granting of such license.

(G) **LICENSE RESTRICTIONS AND CONDITIONS:** In addition to the requirements imposed by provisions of the Wisconsin Statutes adopted by reference in Subsection (B) of this Section, the following restrictions shall apply to the issuance of licenses or permits pursuant to this section:

- (1) No license shall be granted to any person who has not attained the Legal drinking age, and is not of good moral character, a citizen of the United States, a resident of the State of Wisconsin continuously for 90 days prior to the date of the application, and has not resided in the County of Vernon continuously for at least thirty (30) days prior to application and at all times thereafter. No license shall be issued to any person who has habitually been a law offender or has been convicted of a felony unless the person has been duly pardoned, subject to Section 111.321 and 111.335, Wisconsin Statutes. This Subsection shall not apply to Corporations, but shall apply to their appointed agents.
- (2) No license shall be issued to any person who has had a license issued pursuant to this section revoked within 12 months prior to application.
- (3) No license shall be granted for any premises that is not connected with the Village sewerage facilities and that is not properly lighted and ventilated and supplied with separate sanitary toilet and lavatory facilities, equipped with running water, for each sex customarily using the premise.
- (4) No license shall be issued to any person for the purpose of possessing, selling or offering for sale any intoxicating liquor in any dwelling house, flat or residential apartment.
- (5) No retail Class “B” license shall be issued to any person who does not have, or to whom is not issued a Class “B” fermented malt beverage retailer’s license as provided in this Chapter.
- (6) No license shall be issued for any premises which do not conform to the sanitary, safety and health requirements of the Department of Industry, Labor and Human Relations and the Department of Health and Social Services and to all Ordinances and regulations adopted by the Village which pertain to sanitation, safety and health requirements.
- (7) Delinquent taxes, assessments, etc.
 - (a) Premises. No initial or renewal license shall be granted for any one premises for which taxes, assessments or other claims of the Village are delinquent and unpaid.
 - (b) Persons, partnerships and corporations. No initial or renewal license shall be granted to any person, partnership or corporation:
 - (i) Delinquent in payment of any taxes, assessments or other claims owed to the Village.

- (ii) Delinquent in payment of a forfeiture resulting from a violation of any ordinance of the Village.
 - (iii) Delinquent in payment to the state of any state taxes owed.
 - (iv) Delinquent in payment to the United States of America of any federal taxes owed.
 - (8) It shall be a condition of any license issued hereunder that the licensed premises may be entered and inspected at any reasonable hour by any police officer of the Village without any warrant, and the application for a license hereunder shall be deemed consent to this provision. Any refusal to permit such inspection shall automatically operate as a revocation of any license issued hereunder and shall be deemed a violation of this section.
 - (9) Licenses or permits issued under this section shall be noted and displayed as provided in Wisconsin Statute Section 125.04 (10) and any licensee or permittee who shall fail to post his license or permit as therein required shall be presumed to be operating without a license.
 - (10) No retail Class "B" licensee shall employ any person under 18 years of age to serve, sell, dispense or give away any intoxicating liquor.
 - (11) No premises shall be permitted to remain open for sale or consumption of liquor:
 - (a) If a retail Class "A" license, between 9:00 p.m. and 8:00 a.m.
 - (b) If a retail Class "B" license, between 2:00 a.m. and 6:00 a.m., any day, except Saturday and Sunday, when the hours shall be 2:30 a.m. and 6:00 a.m. and also except on January 1 when the premises are not required to be closed. Between 12:00 midnight and 6:00 a.m. no person may sell intoxicating liquor on Class "B" licensed premises in an original unopened package, container or bottle or for consumption away from the premises.
 - (c) Hotels and restaurants whose principal business is the furnishing of food or lodging to patrons and bowling alleys and golf courses shall be permitted to remain open for the conduct of their regular business, but shall not be permitted to sell intoxicating liquors during the hours mentioned in subsection (b) above.
 - (12) No retail Class "B" licensee shall discontinue the sale of intoxicating liquor at any time during the license year without the express consent of the Village Board.
 - (13) I.D. Book. Every retail Class "A" and Class "B" licensee shall cause a book to be kept so that the licensee or his or her employee shall require any person, after requiring documentary proof substantiating that the person is not an underage person to sign the book, if the person's age is in question, showing the date of the purchase of the intoxicating liquor, the identification used in making the purchase, the address of the purchaser and the purchaser's signature. The I.D. Book shall be subject to inspection by any police officer of the Village at any reasonable hour and maintained in the licensed premises at all times.
- (H) **INSPECTION OF APPLICANT AND PREMISES:** The Village Clerk shall notify the Chief of Police, Building Inspector, and Fire Chief of all license and permit applications, and these officials shall inspect or cause to be inspected each application and premises to determine whether the applicant and the premises sought to be licensed comply with the regulations, ordinances and laws applicable thereto and the applicant's fitness for the trust to be imposed. These officials shall furnish to the Village Board in writing the information derived from such investigations. No license or permit provided for in this section shall be issued without the approval of a majority of the Village Board, and no license shall be renewed without a reinspection of the premises and report as herein required.
- (I) **GRANTING OF LICENSE:** Opportunity shall be given by the Village Board to any person to be heard for or against the granting of any license. Upon the approval of the application by the Board, the Village Clerk shall, upon filing by the applicant of a receipt showing the payment of the required license fee to the Village Treasurer, issue to the applicant an attested license. Each license shall be numbered in the order in which issued and shall specifically state the premises for which issues, the date of issuance, the

fee paid, and the name of the licensee. Except as otherwise provided or unless sooner revoked all licenses shall remain in force until the 30th day of June next after the granting thereof.

- (J) **TRANSFER OF LICENSES:** For a fee of \$10.00, any license may be transferred by the Village Board from one premises to another, providing such new premises shall comply with all provisions of this section, but no license shall be transferred more than once in any one license year.
- (K) **SALE TO AN UNDERAGE PERSON OR INTOXICATED PERSON:** It shall be unlawful to see, vend or in any way deal or traffic in intoxicating liquors in any quantity whatsoever to or with an underage person, or to any person intoxicated or bordering on a state of intoxication.
- (L) **UNDERAGE PERSONS PERMITTED ON CLASS "B" PREMISES DURING CERTAIN TIMES:** In addition to the exceptions contained in Chapter 125 of the State Statutes, and underage person may enter or remain in a room on Class "B" or "Class B" licensed premises on a date specified by the licensee or permittee during times when no intoxicating liquors are consumed, sold or given away. During those times, the licensee, the agent named in the license if the licensee is a corporation or a person who has an operator's license, shall be on the premises unless all intoxicating liquors are stored in a locked portion of the premises. An underage person may enter and remain on Class "B" or "Class B" premises under this paragraph only if the Chief of Police issued to the Class "B" or "Class B" licensee a written authorization permitting underage persons to be present under this paragraph on the date specified in the authorization. Before issuing an authorization, the Chief of Police, or his/her designee, shall make a determination that the presence of underage persons on the licensed premises will not endanger their health, welfare or safety or that of other members of the community. The licensee shall obtain a separate authorization for each date on which underage persons will be present on the premises. The request for written authorization shall be made at least five (5) days prior to that date.
- (M) **OPERATOR'S LICENSE:**
- (1) Except as otherwise provided under this Code and Section 8.01, there shall be upon the premises operated under a Class "A" or Class "B" intoxicating liquor license, at all times, the licensee or some person who shall have an operator's license who shall be responsible for the acts of all persons serving as waiters, or in any other manner, any fermented malt beverages or intoxicating liquor to customers. No person, including underage members of the licensee's immediate family, other than the licensee or agent may serve fermented malt beverages or intoxicating liquor in any place operated under a Class "A" or Class "B" license or permit unless he or she has an operator's license or is at least 18 years of age and is under the immediate supervision of licensee or agent or a person holding an operator's license, who is on the premises at the time of the service. For the purpose of this paragraph, any member of the licensee's immediate family who has attained the legal drinking age shall be considered the holder of an operator's license.
 - (2) An operator's license may be issued by the Board to persons who have attained the age of 18 and who are of good moral character. A written application shall be filed with the Village Clerk stating the name, residence, age and sex of the applicant, together with such pertinent information as to fitness as the Clerk shall require. Upon the approval of an application by the Board, the Village Clerk shall upon the filing by the applicant of a receipt showing the payment to the Village Treasurer of the license fee of \$15.00, issue to the applicant a license to expires on the 30th day of June within the second year following the issuance thereof.
 - (3) The Village Clerk is hereby authorized to issue a provisional operator's license for a period not to exceed 60 days to persons the Village Clerk and the Chief of Police feel are otherwise qualified under this section and Wisconsin Statutes. Said provisional license shall be for a fee of \$15.00 and may be revoked by the Village Board.

(N) **TEMPORARY “CLASS B” LICENSE:** A temporary “Class B” license may be issued to a church or an organization associated with a church pursuant to Wisconsin Statute Section 125.51 (4m), and any amendments thereto, if the church or organization has been in existence for not less than six (6) months prior to the date of application. Such license shall authorize the holder of such license to serve or sell wine containing not more than 6 percent alcohol by volume at the picnic, meeting or other gathering specified on the license.

(O) **REVOCATION AND SUSPENSION OF LICENSES:**

- (1) Except as hereinafter provided, the provisions of Wisconsin Statute Sections 125.12 (2) (a) and 125.12 (2) (b) and (c) shall be applicable to proceedings for the revocation or suspension of all licenses or permits granted under this section. Revocation or suspension proceedings may be instituted by the Village Board upon its own motion by adoption of a resolution.
- (2) The Board, upon obtaining a complaint made in writing under oath by any resident in the Village and filed with the Village clerk that any licensee has violated the provisions to this chapter or keeps or maintains a disorderly or riotous, indecent or improper house, or that he has sold or given away any intoxicating liquor to any minor, or to persons intoxicated or bordering upon intoxication or to known or habitual drunkards, or that he has not observed and obeyed any order of the Board, or any state or federal liquor or fermented malt beverage law, or committed any felony, may suspend the license of such person for a period of not less than ten (10) days nor more ninety (90) days or revoke the same.
- (3) Prior to any suspension or revocation, the Village Board shall cause to be served a notice or summons issued by the Village Clerk notifying the person of the charges upon which the suspension or revocation may be predicated, that such person has a right to respond to and challenge such charges, that such person has an opportunity to present witnesses under oath, that such person has a right to representation by an attorney, that such person has an opportunity to confront and cross-examine opposing witnesses under oath, that such person has an opportunity to have a verbatim written transcript of the hearing made upon his own initiative and expense. Notice of hearing shall be given to such person not less than 14 nor more than 30 days in advance of such hearing. The hearing prescribed herein shall be before the entire Board or a designated committee thereof.
- (4) Whenever any license or permit under this section shall be revoked or suspended by the Board or action of any court, it shall be the duty of the Clerk to notify the licensee or permittee of such suspension or revocation and to notify the Chief of Police, who shall take physical possession of the license wherever it may be found and file it in the Clerk’s office.
- (5) If any license granted under this section is seized by any local, state or federal agency pursuant to applicable statutes providing for the seizure of personal property, such seizure will act as an automatic revocation of that license upon notification to the Clerk by the seizing agency that a seizure has been effected.

8.02 **FERMENTED MALT BEVERAGES**

(A) **LICENSE REQUIRED:** No person shall sell, barter, exchange, offer for sale, or have in possession with intent to sell, deal or traffic in fermented malt beverages or other licensed beverages without first procuring a license so to do. Such license shall be posted in a conspicuous place in the room or place where the licensed beverages are drawn or removed for sale or delivery or service.

- (4) All combustible rubbish shall be stored in non-combustible covered containers.
- (5) Any noise emanating from the beer garden shall not violate the regulations of the Village of Stoddard Code of Ordinances pertaining to noise.

- (6) All beer garden areas shall comply with Chapters 54 and 55, State Industrial Code, relative to the required number of toilets, exit lights, and other relevant regulations contained therein.
 - (7) The "Class B" intoxicating liquor and/or fermented malt beverage licensee and/or the agent shall be responsible for all violations of this Section and subject to compliance with any and all Health Department, Inspection Department, Fire Department and Police Department regulations pertaining to the beer garden, including any and all State and local regulations.
- (I) PENALTIES: Any violations of this ordinance may result in the suspension or revocation of any "Class B" intoxicating liquor and/or fermented malt beverage license for such premises and the penalties provided for in Section 8.12.

8.04 BUSINESS CONTINUATION *(adopted 9/8/15)*

- A) BUSINESS CONTINUATION REQUIRED. It shall be a condition of maintaining and keeping a license in the Village of Stoddard that the licensee continue in business. Issuance of and retention of a license by a party not doing business is hereby declared to be against public policy and lacking in usefulness.
- B) DEFINITIONS.
BUSINESS CONTINUATION. Each licensee shall be open at least 120 days within each licensing period. Holders of such licenses are required to possess the following: a premise (facility) from which to conduct business, building permits, and conditional use permits when required in accordance with Village of Stoddard ordinances. Further, holders of such licenses must possess necessary federal identification numbers and State of Wisconsin sales tax numbers and must meet and continue to meet on an ongoing basis all other state and federal requirements. Approval by the Village of Stoddard Board must also be obtained.
LICENSING PERIOD. The year for which the applicable license is issued to a licensee.
OPEN. As used in this chapter is defined as "conducting business publicly" and required that the licensee be conducting business publicly at least 5 business hours on each of the 120 days that the licensee is open during the licensing period.
- C) BUSINESS INTERRUPTION DUE TO CATASTROPHE OR DISASTER. In the event that a licensee can not comply with the business continuation requirement set forth in §14.02 due to catastrophe or disaster including, but not limited to, fire damage, storm damage, etc., which catastrophe or disaster destroys in part or in whole the premises for which a license is issued, the Village Board may waive the business continuation requirement for a limited amount of time as determined to be necessary by the Board to allow the licensee to rebuild or repair such premises.
- D) VIOLATIONS. (1) In the event any license party violates this chapter, disciplinary action may be taken by the Village Board, including reprimand, suspension of the license for a specified number of days (up to 90 days) or revocation of the license. Any license that has been revoked shall not be reinstated within the following 6 months. Any disciplinary action taken shall follow notice to the licensee prior to a hearing. Both the hearing notice, which will include the reason for the hearing, and the subsequent decision of the Board, will be sent by first class mail to the last known address of the licensee, or personally served, at the option of the Village President. (2) In the event disciplinary action is taken against an alcohol licensee, the State procedure mandated under present §125.12, Wis. Stats., or its successor, will be followed. At present, such procedure requires personal service of the hearing notice (summons) and complaint, and a hearing within 3 to 10 days from the date of issuance.
- E) REVOKED LICENSE. There shall be no refund of any license fee paid to a party whose license is revoked.

- F) SURRENDER LICENSE. In lieu of a hearing, the Village Board may accept surrender of a license and the Board shall then determine the time period before another application for the same type of license will be accepted from the former licensee.
- G) HEARING. Evidence and testimony at the hearing shall be done in open session. Pursuant to §19.85(1)(a), Wis. Stats., the Board may go into closed session to deliberate with regard to its decision, where the possibility has been listed on the hearing notice posted or published, in format acceptable to the Village President.
- H) SEVERABILITY. In the event any portion of this chapter is or becomes invalid or illegal, the remaining portions shall remain in full force and effect.

Bolts or screws shall not be fastened to window frames. Every sign and its framework, braces, anchors, and supports shall be constructed of such material and with such workmanship as to be safe and satisfactory to the Building Inspector.

(2) General Requirements.

(a) Construction Standards. Signs shall be constructed in a safe structural manner in accordance with the National Building Code and the National Electrical Code with fireproof and fire-resistant materials and the Wisconsin State Codes, if more restrictive.

(b) Roof Signs. No sign shall be located so as to project above the parapet line. Roof sign structures shall be constructed entirely of steel or aluminum, and all faces shall be constructed of fire-resistant materials and shall withstand a wind pressure of thirty (30) p.s.f. per American Society of Engineering.

(c) Illuminated Signs, intermittent signs, flashing signs, or moving light signs. Any illuminated signs shall not interfere with surrounding properties or traffic. Signs may be illuminated, subject to the following restrictions:

(i) Signs which contain, include, or are illuminated by any flashing, intermittent, or moving light or lights are prohibited, except those specified in (d) below, and those giving public service information such as time, date, temperature, weather, or similar information.

(ii) Signs which are not effectively shielded as to prevent beams or rays of light from being directed at any portion of the traveled ways of the interstate or federal-aid primary highway and which are of such intensity or brilliance as to cause glare or to impair the vision of the driver of any motor vehicle, or which otherwise interfere with any driver's operation of a motor vehicle are prohibited.

(iii) No sign shall be so illuminated that it interferes with the effectiveness of, or obscures an official traffic sign, device, or signal.

(d) Signs may contain multiple or variable messages, including messages on louvers that are rotated and messages formed solely by use of lights or other electronic digital displays that may be changed by any electronic process, subject to all of the following restrictions:

(1) Each change of message shall be accomplished in one (1) second or less.

(2) Each message shall remain in a fixed position for at least six (6) seconds.

(3) The use of "traveling" or "scrolling" messages are set forth in (3) Specific Requirements below.

(4) The Building Inspector may prohibit or establish restrictions on the illumination of messages to a degree of brightness that is greater than necessary for adequate visibility.

(e) Prohibited Mountings. No signs shall be painted on, attached to or affixed to any trees, rocks, or other similar organic or inorganic natural matter, including utility poles or apparatus.

(f) Blanketing. Blanketing of signs shall not be allowed.

(g) Maintenance. All signs, including supports and attachments, shall be properly maintained and have an appearance that is neat and clean. All signs shall be kept in good structural condition, well painted, and clean at all times and the immediate premises shall be maintained in a clean, sanitary and inoffensive condition and kept free and clear of all obnoxious substances, rubbish and weeds.

(h) Annexed Areas. All signs in newly annexed areas shall comply with this Ordinance within two (2) years of annexation.

(3) Specific Requirements.

(a) Electronic Message Unit Signs.

(1) All electronic message unit signs must obtain a conditional use permit with the exception of electronic numeric price message units.

(2) Such signs may be used only to advertise activities conducted on the premises or to present public service information pursuant to Section 8.06(F)(2)(c).

(3) Operational Mode Level 1 as defined in 8.06(B) (21) is the only Level allowed for electronic message unit signs, and all messages must be displayed in a fixed position for at least six (6) seconds.

(4) Traveling or scrolling messages may travel no slower than sixteen (16) light columns per second and no faster than thirty-two (32) columns per second.

(5) The Building Inspector may prohibit or establish restrictions on the illumination of messages to a degree of brightness that is greater than necessary for adequate visibility.

- (b) Portable Signs. Portable signs shall be approved by the Village Administrator, provided, however, that the Village Administrator shall not give approval for placement of a portable sign if it presents a vision obstruction. The maximum size of portable signs shall be twenty-five (25) square feet on each face, back-to-back.

(4) Search Lights. Temporary use of search lights, pennants, streamers, or spinners for advertising purposes are allowed in any district, provided, that the use is not located in a public right-of-way, will not be located closer than ten (10) feet to an adjacent property and will not cause a hazard to traffic or adjoining properties. Temporary use shall not be granted for a period of more than five (5) days in any six (6) month period.

(5) Festoons. Festoons and all other fluttering, spinning, or similar type devices are prohibited except for national flags and flags of political subdivisions of the United States, of bona fide civic, charitable, fraternal, and welfare organizations and except during federal legal public holidays, or during a special civic event, or for a time period not to exceed thirty (30) consecutive days.

(6) Tethered Signs. Only one (1) inflatable sign or tethered balloon shall be allowed per zoning lot. Display of inflatable signs or tethered balloons shall be limited to one (1) week per month.

(7) Signs on Public Rights-of-Way. Signs shall not be permitted on public rights-of-way except for traffic control, parking and directional signs and as otherwise specified in this Chapter.

(F) PROHIBITED SIGNS.

(1) All Districts. No sign, except those permitted in Section 8.06(D) shall be permitted to face a Residential district within fifty (50) feet of such district boundary.

(2) Traffic Interference. Signs shall not resemble, imitate or approximate the shape, size, form or color of railroad or traffic signs or devices. Signs, canopies and awnings shall not obstruct or interfere with the effectiveness of railroad or traffic signs, signals or devices or the safe flow of traffic. No sign shall be erected, relocated or maintained so as to prevent free ingress or egress from any door, window or fire escape. No sign, awning or canopy shall be placed so as to obstruct or interfere with traffic visibility. No signs, billboards or other advertising media, which creates a hazard or dangerous distraction to vehicular traffic or a nuisance to adjoining residential property shall be permitted in any district.

(3) Number of Signs Permitted. No more than one (1) ground sign or free standing sign exceeding ten (10') feet in height and one (1) ground sign less than ten (10) feet in height shall be located on any one premise. No more than two (2) signs of all other types shall be located on any premise. Said sign shall not exceed two hundred (200) square feet on one side or more than four hundred (400) square feet on all sides for any one premise. Premises occupied by a multi-tenant building complex may, as an alternative, have one (1) detached sign plus one (1) flat sign illuminated or otherwise for each place of business located in said multi-tenant building complex provided that the aggregate total of all signs located on any premises so occupied shall not exceed six (600) hundred square feet. This Paragraph shall not apply to directional on-site signs or flat identification signs attached to buildings.

(4) Signs on Public Right-of-Way. Signs shall not be permitted on any public rights-of-way, except for municipal traffic control, parking and directional signs and as otherwise specified in this Chapter, or be located within five (5) feet of a property line.

(G) DANGEROUS AND ABANDONED BILLBOARD SIGNS.

(1) All billboards and/or sign messages shall be removed by the owner or lessee of the premises upon which an off-premise or premise sign/billboard is located when the business it advertised is no longer conducted where advertised or when, in the judgment of the Building Inspector, such sign is so old, dilapidated, or has become so out of repair as to be dangerous or unsafe, whichever occurs first. If the owner or lessee fails to remove the sign/billboard, the Village Administrator, or its designee, shall give the owner thirty (30) days' written notice to remove said sign/billboard, and, thereafter, upon the owner's or lessee's failure to comply, may remove such sign/billboard, any costs for which shall be charged to the owner of the property or may be assessed as a special assessment against the property, and/or the Village Administrator or designee may take any other appropriate legal action necessary to attain compliance.

(2) Alterations. Any sign which was erected before the adoption of this sign Article shall not be rebuilt or relocated without conforming to all of the requirements of this Article.

(3) Violations. All signs constructed or maintained in violation of any of the provisions of this Article are hereby declared public nuisances within the meaning of this Code of Ordinances. In addition to the penalty provisions for violation of this Chapter, the Village Board, or its designee, may bring an action to abate the nuisance in the manner set forth in the Wisconsin State Statutes.

(H) NONCONFORMING SIGNS.

(1) Signs Eligible for Characterization as Legal Nonconforming. Any sign located within the Village of Stoddard limits of the date of adoption of this Chapter hereafter, which does not conform to the provisions of this Article is eligible for characterization as a legal nonconforming sign and is permitted, providing it meets the following requirements:

(a) The sign was covered by a proper sign permit prior to the date of adoption of this sign ordinance.

(b) If no permit was required under the applicable law for the sign in question and the sign was, in all respects, in compliance with applicable law on the date of adoption of this sign ordinance.

(2) Loss of Legal Nonconforming Status. A sign loses its nonconforming status if one (1) or more of the following occurs:

(a) The sign is structurally altered in any way, except for normal maintenance or repair, which tends to or makes the sign less in compliance with requirements of this Ordinance than it was before alteration;

(b) The sign is relocated.

(c) The sign fails to conform to the Village requirements regarding maintenance and repair, abandonment or dangerous or defective signs;

(d) On the date of occurrence of any of the above, the sign shall be immediately brought in compliance with this Article with a new permit secured therefore or shall be removed.

(3) Legal Nonconforming Sign Maintenance and Repair. Nothing in this Article shall relieve the owner or use of a legal nonconforming sign or the owner of the property in which the sign is located from the provisions of this Ordinance regarding safety, maintenance and repair of signs.

(I) VARIANCES OR EXCEPTIONS. The Village Board, following a recommendation from the Building, Zoning and Land Planning Committee, may grant variances or exceptions to these sign regulations through Conditional Use Permits.

(J) AWNINGS AND CANOPIES.

(1) Permitted Awnings. No awnings shall be erected or maintained, except such awnings as comply with the following requirements, and then only if the permit required hereunder is first obtained and the same conform to the regulations of the zoning district in which the same are to be located:

(a) Support. Awnings shall be securely attached to and supported by the building and shall be without posts or columns beyond the setback line.

(b) Height. All awnings shall be constructed and erected so that the lowest portion thereof shall be not less than eight (8) feet above the level of the public sidewalk or public thoroughfare.

(c) Setback. No awning shall extend beyond a point four (4) feet into the right-of-way.

(d) Advertising. No advertising shall be placed on any awning, except that the name of the establishment within the building to which the awning is attached may be painted or otherwise permanently placed in a space not exceeding twelve (12) inches in height on the front and side edges.

(2) Permitted Canopies. No canopies shall be erected or maintained, except such canopies as comply with the following requirements, and then only if the permit required hereunder is first obtained and the same

conform to the regulations of the zoning district in which the same are to be located:

- (a) Support. The structural support of all canopies shall be designed by a licensed professional engineer and approved by the Building Inspector as in compliance with the Building Code of the Village of Stoddard. All canopies shall be attached to a building, and no supports shall exist beyond the setback line between the canopy and the sidewalk or ground below.
- (b) Height Above Sidewalk. All canopies shall be constructed and erected so that the lowest portion thereof shall not be less than eight (8) feet above the level of the sidewalk or public thoroughfare.
- (c) Setback. No awning shall extend beyond a point four (4) feet into the right-of-way.
- (d) Advertising. No advertising shall be placed on any canopy, except that the name of the establishment. Such name may be so painted or placed irrespective of any prohibition otherwise applicable hereunder, providing, however, that if such canopy shall contain more or other than the name of the establishment in letters more than twelve (12) inches on the front and side edges, it shall be considered as a sign and be subject to all the provisions hereof.
- (e) Canopy Insurance Requirements. Every applicant for a canopy permit, which will overhang the public street or sidewalk shall, before the permit is granted, file with the Administrator a liability insurance policy with minimum limits of Fifty Thousand Dollars (\$50,000.00) for personal injury to any person and One Hundred Thousand Dollars (\$100,000.00) for property damage which shall indemnify and save harmless the Village from any and all damages, judgments, costs or expense which the said Village may incur or suffer by reason of the granting of said permit.

(K) VIOLATIONS OF SIGN CODE.

- (1) Any person, firm or corporation who begins, erects or completes the erection or construction of any sign controlled by this Article prior to the granting of a permit shall pay a penalty of four (4) times the amount of the permit otherwise required.
- (2) If the Village Administrator or Building Inspector finds any sign regulated herein unsafe or insecure or is a menace to the public, it shall give written notice to the sign owner and to the property owner.
- (3) If such sign owner fails to remove or alter the sign so as to comply with the standards herein set forth within five (5) days after such notice, the Village Administrator may cause such sign to be removed or altered at the expense of the owner of the sign or the owner of the property upon which it is located so as to comply with the provisions of this Article.
- (4) Any person, firm or corporation who violates any provision of this Ordinance, except as otherwise provided in this Ordinance, including those provisions of the Wisconsin Statutes, Wisconsin Administrative Code or other materials which are incorporated herein reference, shall be subject to forfeit not less than Fifty Dollars (\$50.00) nor more than Five Hundred Dollars (\$500.00). Each day, or portion thereof, that such violation continues is hereby deemed to constitute a separate offense. Any person found in default of payment of such forfeiture and the costs of prosecution shall be imprisoned in the County jail until payment of such forfeiture and costs of prosecution.

8.07 COMMUNITY ANTENNA TELEVISION SYSTEM NON-EXCLUSIVE FRANCHISE REGULATIONS

- (A) DEFINITIONS: For the purpose of this Ordinance the following terms, phrases, words, abbreviations, and their derivations shall have the meaning herein given. (B) **GRANT OF AUTHORITY:** The Board has approved the legal, character, financial, technical and other qualifications of the Company and the adequacy and feasibility of the Company's construction arrangements as part of a full public proceeding affording due process. There is hereby granted to the Company the right and privilege to engage in the business of operating a CATV system in the Village for the purpose of providing Basic CATV Service and such aspects of Expanded CATV Services the Company may from time to time deem advisable. There is, therefore, hereby granted to the Company the right and privilege to erect, install, construct, repair, replace, reconstruct, maintain and retain in, over, under, upon, across and along any street and public place, now laid out or dedicated and all extensions thereof and additions thereto in the franchise area, such property of the Company as may be necessary and appurtenant to the CATV system; and in addition, so to use, operate, and provide similar facilities or properties rented or leased from other persons, including but not limited to any public utility or other grantee franchised or permitted to do business in the Village.

(C) **NON-EXCLUSIVE GRANT:** The right to use and occupy streets and public places for the purpose of this Ordinance shall not be exclusive, and the Village reserves the right to grant similar use in said streets to other persons.

- (D) **TERM OF FRANCHISE:** The Board having determined the term to be reasonable, the term of the franchise is as follows:
- (1) The franchise and rights herein granted shall take effect and be in force thirty (30) days from and after the final passage hereof and shall continue in force and effect for a term of _____ years. (July 29, 1994).
 - (2) The franchise shall be renewed for an additional _____ years following a full public proceeding affording due process, during which proceeding the adequacy of this Ordinance will be reviewed.
 - (3) The franchise term may be extended for one period of six (6) months provided that proceedings for renewal of the franchise have been commenced by giving public notice thereof and the Company has accepted such extension prior to the expiration date of the franchise.
- (E) **CONDITIONS OF STREET OCCUPANCY:** Streets may be occupied on the following conditions:
- (1) The Company shall locate all structures, lines, equipment and property of the Company within the franchise area so as to cause minimum interference with the proper use of streets and the rights and reasonable convenience of property owners who join said streets. The CATV system shall be constructed and operated in compliance with Village construction and electrical codes. The Company shall install and maintain the property of the Company in such manner that it will not interfere with any installations of the Village.
 - (2) The Company shall, at its own expense and in a manner approved by the Village, restore any street or paved area which the Company disrupts, as to nearly as possible as good a condition as before the street was disrupted.
 - (3) The Company shall place any poles in any street in such manner as not to interfere with the usual travel on such street.
 - (4) The Company shall, at the request of any person holding a building moving permit issued by the Village, temporarily raise or lower its cables to permit the moving of buildings. The expense of such temporary raising or lowering of cables shall be paid by the person requesting the same, and the Company may require payment in advance. The Company shall be given not less than forty-eight (48) hour's advance notice to arrange for such temporary changes.
 - (5) The Company shall have the authority to trim trees upon and overhanging streets so as to prevent the branches of such trees from coming in contact with the property of the Company.
 - (6) The Company shall, to the extent feasible, place its cables, wires, or other like facilities underground if at any time during the term of the franchise the cables, wires or other facilities of public utilities are placed underground.
 - (7) The Company shall protect, support, temporarily disconnect, relocate in the same street or other public place (all such activity of the Company being herein referred to as "relocation") property of the Company when reasonably required by the Village by reason of traffic conditions, public safety, street construction, change or establishment of street grade, installation of sewers, drains, water pipes, power lines, and however, that the Company shall be entitled to reimbursement for the costs incurred by it in connection with such relocation; and provided further, that if such reimbursement is not sought from the Village but from a private contractor who is performing the work necessitating such relocation, the Company shall have the right to receive appropriate security for anticipated relocation expenses prior to making such relocation.
 - (8) The Village may use, for any public or municipal purpose, any poles or conduits maintained exclusively by or for the Company in any street, provided such use by the Village does not interfere with the use by the Company. The Village shall indemnify, hold harmless, and defend the Company against and from any and all claims, demands, actions, suits,

proceedings, damages, costs or liabilities of every kind and nature whatsoever arising out of such use of the Company's poles or conduits.

- (F) **SAFETY REQUIREMENTS:** The Company shall observe the following safety requirements.
- (1) The Company shall at all times employ ordinary care and shall use commonly accepted methods and devices for preventing failures and accidents which are likely to cause damage, injuries, or nuisances to the public.
 - (2) The Company shall maintain all structures, lines and equipment in, over, under and upon the streets wherever located, in a safe condition, and in good order and repair.
- (G) **SERVICE POLICIES:** In order that existing subscribers will not be unfairly burdened, the following service policies are adopted:
- (1) **System Expansion to Isolated Subscribers.**
 - (a) The Company shall extend cable television services to any isolated residence at the standard rate if:
 - (i) The resident requests the service extension; and,
 - (ii) The service connection to the isolated residence would require no more than a standard one hundred fifty (150) foot aerial drop line.
 - (b) The Company shall extend cable television services to any isolated residence requiring more than a standard one hundred fifty (150) foot aerial drop line at an added installation charge if such service has been requested by the resident. The added installation charge shall be the actual cost for the distance exceeding one hundred fifty (150) feet. Company may require advance payment for such installation charge.
 - (2) **Service Expansion to New or Existing Developments, Overhead Construction.**
 - (a) The Company shall extend cable services to any existing development or group of residences at the standard rate if:
 - (i) The existing development or group of residences to be served has a density of at least eighty (80) residences per strand mile or trunk line cable installed: and
 - (ii) Forty percent (40%) of the residences within the development or group of residences to be served have agreed to a subscribed to service.
 - (b) Any development or group of residences not meeting these requirements may be served at the Company's discretion.
 - (3) **System Expansion to New or Existing Developments, Underground Construction.**
 - (a) The Company may extend cable or conduit to all new residential developments as they are constructed. Costs of trenching, conduit, pedestals and/or vaults and laterals as well as easements required to bring service to and within the development shall be borne by the developer and /or landowner. All installations and construction by developer and/or landowner shall be to the specifications of the Company.
 - (b) The Company need not provide cable television services to a new development until forty percent (40%) of the residential dwelling units within the development have agreed to subscribe to cable services.
 - (c) For any system expansion in existing developments the Company shall place the cable system underground where both telephone and power lines are underground. For existing facilities, Company shall replace aerial facilities with underground facilities concurrently and in cooperation with similar programs of the telephone and power utilities. Where undergrounding is required, the Company shall have the option of sharing or not sharing utility trenches.
 - (4) **System Expansion, Limitation.**

- (a) No provision of this Ordinance shall require the Company to extend in any twelve (12) month period, trunk and /or distribution lines to more than twenty-five percent (25%) of that portion of the franchise area not having cable at the time of the adoption of this Ordinance. Requests for system extension in excess of this limitation may be deferred by the Company, to the next twelve (12) month period. Should the Company elect to extend the system in excess of this limitation, credit for such extension shall be made against extension requirements in the next twelve (12) month period.
- (b) Upon application involving a line extension (more than 150 feet but less than 3,000 feet) the Company will provide the applicant with a written estimate of the total cost of constructing facilities needed to render the quality of service required by any regulatory agency and the required amount of the refundable deposit. A copy of each estimate will be retained in the files of the Company for two (2) years.
- (c) Each construction estimate will be valid for thirty (30) days from the date of such estimate, and unless accepted and the required refundable deposit funds are received in cash within thirty (30) days from the date of such estimate, the Company will not be required to construct such facilities. A similar estimate for a particular line extension within a twelve (12) month period from the date of the initial estimate will be made only after payment by the applicant of the cost of making the subsequent estimate.
- (d) If more than one applicant is involved, the amount of the refundable deposit or the cost of subsequent estimates will be borne by each applicant at the ratio of each applicant's estimated annual payment to the Company at regular rates to the total estimated annual payments by applicants requesting the particular line extension.
- (e) If the actual cost of the line extension is greater than the estimated cost, no additional refundable deposit will be required. However, if the actual cost of the line extension is less than estimated, a refund of the excess deposit will be paid promptly to the subscriber or subscribers (pro rata).
- (f) An applicant for service involving a line extension of more than 150 feet but less than 3,000 feet must sign a contract for service prior to the Company commencing construction of facilities involved in an amount equal to the sum of the regular monthly charge for service for each such applicant times twenty-four (24) and payable in equal annual installments over a twenty-four (24) month period. The contract will be binding on each applicant even if service is not longer wanted. Where more than one applicant is involved in a line extension agreement, all applicants will be held responsible for each other and if one applicant fails to fulfill his contractual obligation the remaining applicants must pay to the Company any additional deposit based upon ignoring the payment of the applicant who failed to pay for CATV service, less the amount actually paid by the applicant who ceased to pay.
- (g) At the end of twenty-four (24) months from the date of any refundable deposit received by the Company under a line extension agreement, the obligation to make any refund shall cease.
- (h) Whenever additional subscribers are connected to lines constructed under a line extension refundable deposit agreement, which deposit is still refundable, a refund in an amount up to the total amount (but not in excess of the total amount) of the deposit will be required, over a period of time, out of revenue paid by such additional subscribers during the time a deposit refund is required (e.g., twenty-four months from the date of the deposit). The basis of the refund will be as follows:
 - (i) The amount of cash actually collected from such new subscriber for the preceding calendar year. Refunds must be paid by April 30 of the current year for the preceding calendar year.

(iii) In the event the refundable extension deposit involves more than one subscriber, the refund due will be prorated among the depositors at the ratio of each depositor's deposit to the total deposit.

(j) The Company shall give a copy of this subsection to each subscriber required to make a refundable line extension deposit.

(k) This policy shall be effective for a period of twenty-four (24) months from the date of this Ordinance unless modified or extended by the Company.

(6) When the application of this policy appears impractical or unjust to the Company or the subscriber, either party may refer the matter to the Village Clerk/Treasurer for a ruling or for the approval of special conditions.

(H) OPERATIONAL STANDARDS: The Company shall operate and maintain its cable television system in full compliance with performance standard established by the Federal Communications Commission.

(I) INDEMNIFICATION OF VILLAGE: In order that the Village shall be protected:

(1) The Company shall at all times hold the Village harmless from all claims, liability, or damage of every kind and description (herein collectively referred to as "claims") including court costs and reasonable attorney's fees, which

(2) May arise out of the sole negligence of the Company in the ownership, construction, maintenance and operation of the cable television system; provided that the Village shall give the Company written notice within two days of any claims filed against it. The Company may elect to defend the Village against such claims.

(3) The Company shall maintain in full force and effect during the life of this franchise, public liability insurance in a solvent insurance company authorized to do business in the State of Wisconsin, in the amount of:

(a) \$100,000 property damage in any one accident;

(b) \$100,000 for personal injury to any one person;

(c) \$300,000 for personal injury in any one accident; provided, however, that all such insurance may contain reasonable deductible provisions not to exceed \$1,000 for any type of coverage.

(J) PROCEDURES: In order that all parties be afforded due process of law:

(1) Any inquiry, proceeding, investigation or other action taken or proposed to be taken by the Village adverse to the operation of the Company's cable television system, shall be taken only after:

(a) The minimum legally required public notice is published in a local newspaper having general circulation in the Village (and in the absence of any such requirement, the notice shall be published at least ten (10) days prior to the date of the proposed action; and,

(b) A written summary of such action or proposed action is served on the Company at least ten (10) days prior to the proposed action; and,

(c) The Company has been given an opportunity to respond, in writing, and at any hearing held by the Village.

(2) The public notice required by this section shall state clearly the action or proposed action to be taken, the time provided for response and the person or persons in authority to whom such responses should be addressed, and such other procedures as may be specified by the Village. If a hearing is to be held, the public notice shall give the date and time of such hearing, whether public participation will be allowed and the procedures by which such participation may be obtained. The Company shall be an indispensable party to any proceedings conducted in regard to its operations.

(K) PROCEDURE UPON TERMINATION: Upon expiration of the initial term of this franchise, if the Company has not been granted an extension or renewal thereof and accepted the same, the Company may

enter upon the streets of the Village for the purpose of removing there from its property and otherwise. In removing its property, the Company shall, at its own expense, leave the streets in as nearly as possible as good condition as that prevailing prior to the Company's removal of its property.

- (L) **APPROVAL OF TRANSFER:** The Company may not sell or transfer its rights under this Ordinance to another, other than a parent company or wholly-owned subsidiary of a parent company, except as security for monies borrowed, without Board approval. Such Board approval shall not be unreasonably withheld.
- (M) **NEW DEVELOPMENTS:** It shall be the policy of the Village liberally to amend this Ordinance upon application of the Company to take advantage of any developments in the field of transmission of television and radio signals which will afford it an opportunity more effectively, efficiently or economically to serve its customers.
- (N) **LOCAL OFFICE, COMPLAINTS:** The following complaint procedure is established:
- (1) The Company shall maintain an area business office or agent, which subscribers may telephone during regular business hours without incurring added message or toll charges, so that CATV maintenance service shall be promptly available.
 - (2) If a subscriber has an unresolved complaint regarding the quality of cable television service, equipment malfunctions, or similar matters, the subscriber may file his complaint with the Village Clerk/Treasurer, who has primary responsibility for the continuing administration of the franchise and the procedures for resolving complaints, and thereafter may meet jointly with a representative of the Board and a representative of the Company within thirty (30) days to fully discuss and resolve such matters.
 - (3) The Company shall notice each subscriber, at the time of initial subscription to the service of the Company, of the procedures for reporting and resolving such complaints.
- (O) **MISCELLANEOUS PROVISIONS:** The following general provisions are adopted:
- (1) When not otherwise prescribed herein, all matters herein required to be filed with the Village shall be filed with the Village Clerk/Treasurer.
 - (2) The Company shall pay the cost of publication of this Ordinance as such publication is required by law. A bill for the payment of the publication costs shall be presented to the Company by the Village Clerk/Treasurer upon the Company's filing of acceptance and shall be paid at that time.
 - (3) The Company shall provide without charge on outlet to each government office building, fire station, police station, and public school building at locations passed by its cable. The distribution of the cable facility inside buildings shall be the responsibility of the building owner.
 - (4) In the case of any emergency or disaster, the Company shall, upon request of the Village, make available its facilities to the Village for reasonable use during the emergency or disaster period.
- (P) **COMPLIANCE WITH APPLICABLE LAWS AND ORDINANCES:** The Company shall during the life of this Ordinance be subject to all lawful exercise of police power by the Village. The Village reserves the right to adopt from time to time such ordinances as may be deemed necessary to the exercise of police power. The exercise of the Village's police power shall be reasonable and not destructive of the rights herein granted and not in conflict with the laws of the United States, the State or local laws and regulations.
- (Q) **VIOLATIONS:** The Village declares certain acts unlawful and provides penalties as follows:
- (1) From and after the effective date of this Ordinance, it shall be unlawful for any person to construct, install or maintain within any street in the Village, or within any other public property of the Village, or within any privately-owned area within the Village, or which has not yet become a street but is designated or delineated as a proposed street on any tentative subdivision map approved by the Village, any equipment or facilities for distributing any television

signals or radio signals through a CATV system, unless a franchise authorizing use of such street or property or area has first been obtained, and unless such franchise is in full force and effect.

- (2) It shall be unlawful for any person to make any unauthorized connection, whether physically, electrically, acoustically, inductively or otherwise, with any part of a franchised CATV system within this Village for the purpose of enabling himself or others to receive any television signal, radio signal, picture, program or sound, without payment to the operator of said system.
- (3) It shall be unlawful for any person, without the consent of the owner, to willfully tamper with, remove or injure any cables, wires, or equipment used for distribution of television signals, radio signals, pictures, programs or sound.
- (4) Any person convicted of violating any of the provisions of this section shall pay a forfeiture in the amount of \$200 and upon failure to pay said forfeiture, shall be imprisoned for a term not to exceed thirty (30) days.

(R) **ACCESS:** The Company, within a reasonable time, shall make available channel capacity of one channel or time on one channel, for use by others having no ownership affiliation with the Company for the purpose of originating noncommercial programs over facilities of the system. The Company shall from time to time adopt and make available at its business office rules governing the use of such channel or time on a channel, and shall submit a copy of such rules to the Village and to the Federal Communications Commission.

(S) **RATES:** Subscriber rates for Basic Service shall be established by the Village by resolution enacted from time to time. The rates may be changed as follows:

- (1) The Company may from time to time change its rates so as to ensure a fair and compensatory return on its investment; provided that the Company shall give the Village Clerk/Treasurer written notice of any proposed rate increase at least sixty (60) days prior to its proposed effective date. The Board may hold a hearing (at which hearing Company shall be afforded due process of law) to determine whether the Company's proposed rate increase will be fair and compensatory. The Company agrees to cooperate with the council in connection with such public proceedings and, upon request, to supply the Board data as reasonably may be required by the Council for determining the fairness of the proposed rate increase. The pendency of such proceedings shall not prevent the proposed rate increase from going into effect as scheduled, but if the Board ultimately determines that a different rate, such different rate shall be applicable from the first day of the month following the date of the Board's action.
- (2) The Company may charge a connection fee for each outlet. From time to time such fee may be increased in order to compensate for the Company's installation costs. In no event shall the Company be required to charge fees at less than the cost of providing such installation. Nothing herein shall prevent the Company from charging certain subscribers added installation fees as contemplated by Section G hereof.
- (3) The Company may impose a late charge of one and one-half percent (1 ½%) per month or the maximum rate permitted by law, whichever is less, for each monthly payment not paid within thirty (30) days of the date of required payment.
- (4) Nothing contained herein shall prevent the Company from challenging before any court of appropriate jurisdiction the reasonableness of any action by the Board in fixing rates different from those initially set by the Company.

(T) **FRANCHISE PAYMENTS:** In order to recover the cost of regulating the cable television system:

- (1) For all rights granted hereunder or incidental to the Company's operation hereunder, the Company shall pay to the Village, on or before July 31 of each year, a maximum of 5 percent franchise fee based on Gross Annual Basic Subscriber Receipts received for cable television operations in the

Village for the preceding calendar year. No other fee, charge or consideration shall be imposed. At the time of each payment due hereunder, upon Board's request, the Company shall provide to the Village an annual summary report showing Gross Annual Basic Subscriber Receipts received during the preceding year.

- (2) On or before January 30 of each year, the Company may pay to the Village an amount equal to the franchise fee paid in the preceding calendar year, such amount to be adjusted on or before July 31 to reflect actual Gross Annual.
- (3) Basic Subscriber Receipts received during the preceding calendar year. The adjusted fee shall not exceed the maximum franchise fee established in this section.

(U) SEVERABILITY: If any section, subsection, sentence, clause or phrase of this Ordinance is for any reason held invalid by the decision of any court or regulatory body of competent jurisdiction, such decision shall not affect the validity of the remaining portions hereof. The Board hereby declares that it would have passed this Ordinance and each section, subsection, clause and phrase hereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses, or phrases be declared illegal, invalid, or unconstitutional.

8.08 CAMPGROUNDS, CAMPING RESORTS AND TRAVEL TRAILER PARKS *(adopted 3/13/13)*

(A) DEFINITIONS: As used in this section, the following terms shall have the meanings hereinafter designated:

Campground. Any parcel or tract of land owned by a person, the state or a local government, which is designed, maintained, intended or used for the purpose of providing sites for nonpermanent overnight use by four (4) or more camping units, or by one (1) to three (3) camping units if the parcel or tract of land is represented as a campground.

Camper Top. A structure designed to be mounted on a pick-up truck chassis for use as a temporary dwelling for travel, recreation and vacation.

Camping Trailer. A canvas or folding structure mounted on wheels and designed for travel, recreation and vacation use.

Camping Unit. A prefabricated structure that is no larger than 400 square feet, or that is certified by the manufacturer as complying with the code promulgated by the American National Standards Institute as ANSI A119.5, and that is designed to be towed and used primarily as temporary living quarters for recreational, camping, travel, or seasonal purposes. These include, but are not limited to camping trailers, motor homes, buses, vans, pick-up trucks or tents.

Complete Bathroom Facilities. A flush toilet, lavatory, bath and kitchen sink.

Dependent Camping Unit. A Camping Unit without complete toilet facilities and which therefore is dependent upon other toilet facilities.

Dwelling. (A definition should be included to refer to the amount of time contemplated under Section B (1).)

Independent Camping Unit. A Camping Unit which contains, at a minimum, a water storage facility and a toilet facility which discharges to a liquid waste holding tank that is an integral part of the unit or to a sewage disposal system.

Travel Trailer. All vehicles and portable structures built on a chassis, whether designed to be towed upon the highway or self-propelled, designed as a temporary or permanent dwelling for travel, recreational or vacation use and not included in the definition of "mobile home" under Wis. Stats. § 101.91. For purposes of this section, a Dependent Camping Unit, Independent Camping Unit, Camping Trailer, Camping Unit, pick-up truck with Camper Top, coach, motor home and similar recreational vehicles are considered to be Travel Trailers unless otherwise indicated.

Travel Trailer Park. A plot of ground upon which two or more travel trailers are occupied for dwelling, regardless of whether or not a charge is made for such accommodations.

Travel Trailer Space. A plot of ground within a Travel Trailer Park designed for accommodation of one Travel Trailer.

Service Building. A building housing toilet and bathing facilities for men or women, and may also include buildings containing laundry facilities and other facilities as required by this section or desired by the licensee.

(B) LOCATION OF TRAVEL TRAILERS OUTSIDE OF PARKS.

1. No person shall occupy or park, for purposes of occupancy, any Travel Trailer on any public or private street or land within the Village outside of a licensed Travel Trailer Park.
2. Parking of unoccupied Travel Trailers outside an approved Travel Trailer Park is permitted only in the following instances:
 - i. On the premises of an authorized Travel Trailer dealer provided no business is practiced therein or occupancy maintained.
 - ii. On the premises of any vehicle service business for the purpose of servicing or making repairs thereto.
 - iii. One Travel Trailer unit may be parked in an accessory private garage or building or a rear yard of the owner provided no occupancy is maintained therein.
 - iv. Legally parked on public streets for not longer than forty-eight (48) hours.

(C) PERMANENT OCCUPANCY PROHIBITED

1. No Travel Trailer shall be used as a permanent place of abode, dwelling or business or for indefinite periods of time. Continuous occupancy extending beyond four (4) months in any 12-month period shall be presumed to be permanent occupancy.
2. Any action toward removal of the wheels of a Travel Trailer is hereby prohibited, unless the wheels are being temporarily removed to stabilize the Travel Trailer for parking, storage or repair.

(D) LICENSE FOR TRAVEL TRAILER PARK

1. No person shall establish, operate or maintain a Travel Trailer Park or permit the same on premises owned, leased or controlled by him/her within the Village without first having obtained a valid unexpired license therefore issued by the clerk-treasurer and approved by the Village Board. The license shall specify the type of Travel Trailer Park permitted. No Campground license shall be issued for a Campground for which a permit has not been issued by the State of Wisconsin under Wis. Stats. § 247.47.
2. Travel Trailer Park licenses shall expire June 30 of the year following issue and may be renewed for additional one-year periods under this section.
3. Licenses shall be subject to revocation or suspension by the Village Board for violation of any state, federal or municipal laws or violation of the provisions of this section or terms or conditions imposed by the Village Board and endorsed upon the license or any of the ordinances of the Village regulating health, morals, safety or welfare. Such revocation or suspension shall be governed by the provisions of Wis. Admin. Code § 178.05, relating to revocation or suspension of campground licenses.
4. Any person whose license has been suspended or revoked under this section shall not be eligible for a license or renewal hereunder for a period of one (1) month thereafter.
5. The application for such license, original or renewal, shall be filed with the clerk-treasurer and shall be accompanied by a fee of \$15.00 for each Travel Trailer Space in a Travel Trailer Park.
6. Unexpired travel trailer park licenses may be transferred from one owner or operator to another upon payment of a fee of \$10.00 to the clerk-treasurer subject to Village Board approval.

(E) PARK PLAN: Travel Trailer Parks shall comply with the following regulations:

1. The location of a Travel Trailer Park shall conform to Village building, zoning, and subdivision control ordinances.
2. All construction within a park shall conform to the building, electrical, heating and plumbing codes of the State of Wisconsin and the Village.
3. Travel Trailer Parks and Campgrounds shall be located on a single parcel of land having a minimum tract size of three (3) acres.
4. The sale of individual Travel Trailer Spaces in Travel Trailer Parks or Campgrounds is prohibited.
5. Travel Trailer Spaces within each park shall have a minimum width of thirty (30) feet and a minimum depth of seventy-five (75) feet.
6. A minimum of one (1) off-street automobile parking space shall be provided for each Travel Trailer Space within the Travel Trailer Park.
7. Travel Trailer Parks shall be designed to blend with and enhance the beauty and economic value of the surrounding properties and to produce an attractive environment of sustained aesthetic and ecological desirability. For this purpose, the Village board may require the developer to provide vegetative screen planting which will reach a height of fifteen (15) feet and form a screen equivalent in capacity to a solid fence or wall in five (5) years or to provide other appropriate screening of the premises.
8. State Regulations. Campgrounds and camping resorts shall conform to the requirements of DHS 178 of the Wisconsin Administrative Code as amended.

(F) WATER SUPPLY

1. An adequate supply of potable water furnished through a pipe distribution system connected directly with the public water main with supply faucets located not more than two hundred (200) feet from any Travel Trailer shall be furnished for drinking and domestic purposes in all parks.
2. Individual water service connections provided for direct use of an Independent Camping Unit shall be so constructed that they will not be damaged by the parking of such units. Such systems shall be adequate to provide 20 pounds of pressure per square inch and capable of furnishing a minimum of 125 gallons per day per space.
3. No common drinking vessels shall be permitted, nor shall any drinking water faucets be placed in any toilet room.

(G) SERVICE BUILDINGS AND ACCOMODATIONS

1. Commercial facilities and recreational areas, such as restaurants and laundromats, swimming pools and golf courses, may be located in a Travel Trailer Park upon approval of the Village Board. The above-mentioned area shall occupy no more than ten percent of the Travel Trailer Park area and shall be located, designed and intended for serving park occupants only.
2. Each travel trailer park shall contain at least one service building housing sanitation, toilet and laundry facilities. Service buildings shall conform to the provisions of ch. DHS 178, Wis. Adm. Code, and State of Wisconsin and Village building, electrical, heating and plumbing codes.
3. Every Travel Trailer Space shall be furnished with an electrical service outlet equipped with an externally operated switch or fuse of at least 20 amperes capacity and a heavy-duty outdoor outlet receptacle. Electrical outlets shall be weatherproof.
4. In Travel Trailer Parks and future extensions, all distribution lines, including, without limitation, electrical, water, sewerage and telephone lines, shall be located underground.
5. In areas served by public sewer and water, no Travel Trailer shall be located further than four-hundred (400) feet from any fire hydrant.
6. No Travel Trailer within a park shall be used as a permanent place of abode, dwelling or business in violation of section (C) of this ordinance.
7. No unit shall be parked in the Travel Trailer Park outside a designated Travel Trailer Space.

8. No vehicle, Travel Trailer or other obstruction shall be placed on any space or other area designated as a fire lane by the fire chief or his/her deputy.

(H) MANAGEMENT: The licensee or his/her agent shall:

1. Provide adequate supervision to maintain the Travel Trailer Park in compliance with this section and keep facilities and equipment therein in good repair and in a clean and sanitary condition.
2. Locate in the Travel Trailer Park a park office wherein shall be maintained a register of all park occupants to be open during normal business hours to inspection by state, federal and city officers, showing:
 - i. Names and addresses of all owners and occupants of each Travel Trailer.
 - ii. Dates of entrance and departure of each Travel Trailer.
 - iii. Make, model, year and serial number or license number of each Travel Trailer and towing or other motor vehicle and state, territory or county issuing such license.
3. Inform all Travel Trailer Park residents of the provisions of this section and their duties and responsibilities hereunder.
4. Notify the health officer immediately of any suspected communicable or contagious disease within the Travel Trailer Park.
5. Provide for the sanitary and safe removal and disposal of all refuse and garbage at least once a week from the park in accordance with the laws of the State of Wisconsin and ordinances of the Village or orders or regulations of the health officer or fire chief.
6. Provide portable fire extinguishers of a type, number and placement approved by the fire chief and maintain such extinguishers in good operating condition.

(I) TRAVEL TRAILER OWNERS AND OCCUPANTS: Every Travel Trailer owner or occupant shall:

1. Comply with all applicable requirements of this section or other sections or regulations of the Village.
2. Be responsible for proper placement of his/her Travel Trailer on the Travel Trailer Space. Travel Trailers shall not be located less than fifteen (15) feet from any other Travel Trailer or building within the park nor less than fifteen (15) feet from any park boundary or public highway or street nor less than fifteen (15) feet from any park drive or walkway.
3. If pets are permitted by the Travel Trailer Park management, then the management shall not allow such pets to run at large or commit any nuisance within the Travel Trailer Park.
4. Store or dispose of rubbish or garbage in a clean, sanitary and safe manner. Garbage and refuse shall be placed in rodent-proof, insect-proof, watertight containers provided by the park licensee.

(J) PENALTY PROVISIONS: Any person, partnership, corporation, or other legal entity that fails to comply with the provisions of this Ordinance shall, upon conviction, pay a forfeiture of not less than \$25, nor more than \$50, plus the applicable surcharges, assessments, and costs for each violation. Each additional day a violation exists or continues constitutes a separate offense under this Ordinance. In addition, the Village Board may seek injunctive relief from a court of record to enjoin further violations.

(K) SEVERABILITY: Any lawful Travel Trailer Park or Campground existing at the time of adoption of this Ordinance or amendments thereto may be continued although such Travel Trailer Park or Campground does not conform to the provisions of this Ordinance. Any non-conforming use which has been discontinued for a continuous period of one (1) year shall not be re-established except in conformity with this Ordinance.

A lawful, non-conforming Travel Trailer Park or Campground shall have an operating permit, renewed every year, subject to conformity with the regulations in effect at the time the Travel Trailer Park or

Campground was established. No non-conforming park or campground may be expanded, added to, or changed except in conformity with this Ordinance. In cases where a Travel Trailer Park or Campground is expanded, added to, or changed, only the area expanded, added to or changed must conform to this Ordinance.

If any provision of this Ordinance or its application to any person or circumstance is held invalid, the invalidity does not affect other provisions or applications of this Ordinance that can be given effect without the invalid provision or application, and to this end, the provisions of this Ordinance are severable.

8.09 MOBILE HOMES AND MOBILE HOME PARKS

- (A) **DEFINITIONS:** Whenever used in this Ordinance, unless a different meaning appears from the context:
- (1) A “mobile home” is that which is, or was as originally constructed, designed to be transported by any motor vehicle upon a public highway and designed, equipped and used primarily for sleeping, eating, and living quarters, or is intended to be used; and includes any additions, attachments, annexes, foundations and appurtenances except that a house trailer is not deemed a mobile home if the assessable value of such additions, attachments, annexes, foundations or appurtenances equal or exceed 50 percent of the assessable value of the house trailer.
 - (2) “Unit” means a mobile home unit.
 - (3) “Nondependent mobile home” means a mobile home equipped with complete bath and toilet facilities, all furniture, cooking, heating, appliances and complete year around facilities.
 - (4) “Dependent mobile home” means a mobile home which does not have complete bathroom facilities.
 - (5) “Mobile home park” means any plot or plots of ground upon which two or more units, occupied for dwelling or sleeping purposes, are located, regardless of whether or not a charge is made for such accommodations.
 - (6) “Space” means a plot of ground within a mobile home park of not less than one thousand square feet, designed for the accommodation of one automobile only and/or one mobile home unit.
 - (7) The word “person” shall be construed to include any individual, partnership, firm, company, corporation, whether tenants, owner, leasee, licensee, or their agent, heir or assign.
 - (8) “Licensee” means any person licensed to operate and maintain a mobile home park under this Ordinance.
 - (9) “Park” means Mobile Home Park.
- (B) **LOCATION OUTSIDE CAMPS:** Inhabited mobile homes may be placed, parked or kept within the Village for not to exceed twenty-four (24) hours, provided adequate water and toilet facilities are available to the occupants. No person shall occupy any mobile home on any premises which is situated outside an approved mobile home park after the first twenty-four (24) hours of occupancy within the Village.
- (C) **LICENSE FOR MOBILE HOME PARK, APPLICATION AND ISSUANCE:**
- (1) It shall be unlawful for any person to establish, operate or maintain or permit to be established, operated or maintained upon any property owned, leased or controlled by him, a mobile home park within the limits of the Village of Stoddard, without having first secured a license for each such park from the Village Board pursuant to this ordinance. Such license shall expire on year from the date of issuance but may be renewed under the provisions of this Ordinance for additional periods of one year.
 - (2) The application for such license or the renewal thereof shall be filed with the Village Clerk and shall be accompanied by a fee of \$2.00 for each space provided that the minimum fee shall be \$25.00 and provided further that no annual fee shall exceed \$100.00 for each fifty spaces or fraction thereof in each mobile home park, and a surety bond in the sum of Five Thousand

Dollars (\$5000.00). This bond shall guarantee the collection by the licensee of any fine or forfeiture including legal costs imposed upon or levied against said licensee for the violation of the ordinance of said Village pursuant to which said license is granted, and shall be for the use and benefit, and may be prosecuted and recovery had thereon of any person, firm or corporation who may be injured or damaged by reason of the licensee violating the provisions of this ordinance. A fee of Ten Dollars (\$10.00) shall be paid for each transfer of a license.

- (3) The application for a license or a renewal thereof shall be made on forms furnished by the Village Clerk and shall include the name and address of the owner in fee of the tract (if the fee is vested in some other person, that the applicant is authorized by him to construct or maintain the mobile home park and make the application) and such a legal description of the premises upon which the mobile home park is or will be located as will readily identify and definitely locate the premises. The application shall be accompanied by two copies of the park plans showing the following, either existing or as proposed: (1) The extent and areas used for camp/park purposes; (2) roadways and driveways; (3) location of units for mobile homes; (4) location and number of sanitary conveniences, including toilets, washrooms, laundries and utility rooms to be used by occupants of the units; (5) method and plan of sewage disposal; (6) method and plan of garbage removal; (7) plan for water supply; (8) plan for electrical lighting of units; and (9) if the existing or proposed park is designed to serve non-dependent mobile homes, such plans shall clearly set forth the location of all sewer and water pipes and connections.

- (D) **INSPECTION AND ENFORCEMENT:** No mobile home park license shall be issued until the Village Clerk shall notify the Village Board and the Building Inspector of such application, and these officials shall inspect or cause to be inspected each application and the premises to determine whether the applicant and the premises on which mobile homes will be located comply with the regulations, ordinances and laws applicable thereto. No license shall be renewed without a reinspection of the premises. For the purpose of making inspections and securing enforcement such officials or their authorized agents shall have the right and are hereby empowered to enter on any premises on which a mobile home is located, or about to be located, and to inspect the same and all accommodations connected therewith at any reasonable time.

- (E) **LOCATION:** No occupied mobile home shall be located between the recognized set-back line for the zoning district and the street or highway not less than ten feet from any building or other mobile home or from the boundary line of the premises on which located.

- (F) **PARK PLAN:**
 - (1) Every mobile home or mobile home park shall be located on a well-drained area, and the premises shall be properly graded so as to prevent the accumulation of storm or other waters. No mobile home or mobile home park shall be located in any manner that is situated so that the drainage from any barnyard, outdoor toilet or other source of filth can be deposited in its location.
 - (2) Mobile home spaces shall be clearly defined and shall consist of a minimum of one thousand square feet and a width of not less than twenty (20) feet. The park shall be so arranged that all spaces shall face or abut on a driveway of not less than twenty (20) feet in width, giving easy access from all units to a public street. Such driveway shall be graveled or paved and maintained in good condition, having natural drainage, be well lighted at night, and shall not be obstructed.
 - (3) The park shall be so laid out that no dependent mobile home shall be located farther than 200 feet from the toilets and service buildings provided for herein, and walkways to such buildings shall be graveled or paved and well lighted at night.
 - (4) Every mobile home space shall be furnished with an electric service outlet. Such outlet shall be equipped with an externally operated switch or fuse of not less than 30 amperes capacity, and a heavy-duty outlet receptacle. Electrical outlets shall be waterproof and no power lines shall be less than fifteen (15) feet above ground.

(5) No mobile home unit shall be parked in a park outside of a designated space.

(G) **WATER SUPPLY:**

- (1) An adequate supply of water shall be run to each space on which is located a nondependent mobile home unit and additional supply faucets shall be located not more than two hundred (200) feet from any dependent mobile home for drinking and domestic purposes. The wells supplying the camp shall comply with the Wisconsin Well Construction Code, excepting that well pits or pump pits are not permitted. Supply outlets may be located in the service buildings, or building, if separate from toilet, shower and laundry rooms.
- (2) No common drinking vessels shall be permitted, nor shall any drinking water faucets be placed in any toilet room.
- (3) Every mobile home park serving dependent mobile home units shall provide an abundant supply of hot water at all reasonable hours for bathing, washing and laundry facilities.

(H) **SERVICE BUILDING AND ACCOMMODATIONS:**

- (1) Every mobile home camp, designed to serve dependent units, shall have erected thereon suitable buildings for housing toilets, lavatories, showers, slop sinks and laundry facilities as required by this Ordinance, such buildings to be known as service buildings. Service buildings shall be located not more than two hundred (200) feet from any dependent mobile home unit space, nor closer than fifteen (15) feet from any mobile home space. Such buildings shall be of permanent construction and adequately lighted, screened and ventilated. The Village Board reserves the right to waive this requirement for good cause.
- (2) There shall be provided separate toilet rooms for each sex. Water flush toilets shall be required. Toilets shall be provided for each sex in ratio of one toilet for each eight dependent units or fraction thereof, and shall have separate compartments. Each male toilet room shall also have on urinal for each sixteen dependent units, but in no case shall any male toilet be without one urinal. Toilet rooms shall contain lavatories with hot and cold water in the ratio of one lavatory to every two or less water closets. The Village Board reserves the right to waive this requirement for good cause shown.
- (3) Separate bathing facilities for each sex shall be provided with one shower enclosed in a compartment at least four feet square, for each eight dependent units or fraction thereof. Each shower compartment shall be supplemented by an individual dressing compartment of at least twelve square feet. The Village Board reserves the right to waive this requirement for good cause shown.
- (4) Laundry facilities shall be provided in the ratio of one double tray and one conventional type washing machine, or one automatic washing machine, with electric outlet, for each eight units. Sufficient drying facilities shall be available.
- (5) Slop sinks for disposal of liquid wastes originating at the units shall be provided in a separate room of the service building in the ratio of one slop sink for each sixteen dependent units.
- (6) The above accommodations shall be based on the total park capacity according to accepted plans.
- (7) Floors of toilets, showers, and the laundry shall be of concrete, tile, or similar material impervious to water and easily cleaned and pitched to a floor drain.

(I) **WASTE AND GARBAGE DISPOSAL:**

- (1) All liquid waste from toilets, showers, laundries, faucets, lavatories, etc. shall be discharged into a septic tank system or sanitary sewer system approved by the State Board of Health.
- (2) Every space designed to serve a nondependent unit shall be provided with sewer connections, which shall comply with the State Plumbing Code. The sewer connection shall be provided with suitable fittings so that watertight connections can be made. Such connections shall be so constructed so that they can be closed when not connected and trapped in such a manner as to be maintained in an odor-free condition.
- (3) Each faucet shall be equipped with facilities for drainage of waste and excess water.

- (4) Every mobile home unit shall be provided with a substantial fly-tight, watertight metal or plastic or polyethylene garbage container, not to exceed thirty (30) gallons from which the contents shall be removed and disposed of in a sanitary manner by the Camp Custodian at least twice weekly between May 1 and October 31, and otherwise weekly.

(J) DEPARTMENT OF HEALTH AND SOCIAL SERVICES REGULATIONS:

Any regulations of the Department of Health and Social Services now or hereafter in force, which are more stringent than the provisions of this ordinance, shall be complied with in all respects.

(K) MANAGEMENT:

- (1) In every mobile home park shall be located the office of the attendant or person in charge of said park. A copy of the park license and of this ordinance shall be posted therein and the park register shall at all times be kept in said office. This section or any part thereof may be waived by the Village Board for good cause shown.

- (2) It is hereby made the duty of the attendant or person in charge, together with the license, to:

- (a) Keep a register of all guests, to be open at all times to inspection by State and Federal officers and the Village Board and Building Inspector, which shall show for all guests:

Names and addresses.

Number of children of school age.

State of legal resident.

Dates of entrance and departure.

License numbers of all mobile homes and towing or other vehicles.

States issuing such licenses.

Purpose of stay in camp.

Place of last location and length of stay.

Place of employment of each occupant.

- (b) Maintain the park in a clean and orderly and sanitary condition at all times.
- (c) Ensure that the provisions of this ordinance are complied with and enforced and report promptly to the proper authorities any violations of this ordinance or any other violation of law which may come to his attention.
- (d) Report to the health officer all cases of persons or animals affected or suspected of being affected with any communicable disease.
- (e) Maintain in convenient places hand fire extinguishers in the ratio of one to each eight units.
- (f) Collect the monthly parking permit fee provided for in subsection (M) of this ordinance. A book shall be kept showing the names of the persons paying said service charges and the amount paid.
- (g) Prohibit the lighting of open fires on the premises.

- (L) APPLICABILITY OF PLUMBING, ELECTRICAL AND BUILDING ORDINANCES: All plumbing, electrical, building and other work on or at any park licensed under this Ordinance shall be in accordance with the ordinances of the Village of Stoddard and the requirements of the State Plumbing, Electrical and Building Codes and the regulations of the Department of Health and Social Services.

(M) MONTHLY PARKING PERMIT FEE:

- (1) There is hereby imposed on each owner of a non-exempt occupied mobile home in the Village of Stoddard a monthly parking permit fee determined in accordance with Section 66.058 (3) of the

Wisconsin Statutes, and all amendments thereto, which is hereby adopted by reference and made a part of this Ordinance as if fully set forth herein. It shall be the full and complete responsibility of the licensee of the mobile home park to collect the proper amount from each mobile home owner. Licensees and land owners of mobile homes permitted to be located on land outside a mobile home park shall pay to the Village Treasurer such parking permit fee on or before the 10th day of the month following the month for which such fees are due in accordance with the terms of this ordinance and such regulations as the Treasurer may reasonably promulgate.

- (2) Licensees of mobile home parks and owners of land on which are parked any occupied, non-exempt mobile homes shall furnish information to the Village Clerk and Assessor on such homes added to their park or land within five (5) days after arrival of such homes on forms furnished by the Village Clerk in accordance with Section 66.058 (3) (c) and (e) of the Wisconsin Statutes.
- (3) Exempt mobile homes. No fee shall be imposed for any space occupied by a mobile home accompanied by an automobile if the mobile home and automobile bears license plates issued by any other than this State for an accumulating period not to exceed sixty (60) days in any twelve (12) month or if the occupants of the mobile home are non-resident tourists or vacationers. Exemption certificates in duplicate shall be accepted by the Treasurer of the licensing authority from qualified non-resident tourists or vacationers in lieu of monthly mobile home permit fees. When one or more persons occupying a mobile home are employed in this state, there shall be no exemption from the monthly parking permit fee.

8.10 ANIMAL CONTROLS – REGULATIONS AND LICENSES

(A) STATE STATUTES ADOPTED: Except as otherwise specifically provided in this Ordinance the provisions of Section 948.01 through Section 948.17, Wisconsin Statutes, are hereby adopted by reference and made a part of this Ordinance as though fully set forth herein. Any act required to be performed or prohibited by any statute incorporated herein. Any act required to be performed or prohibited by any statute incorporated herein by reference is required or prohibited by this Ordinance.

(B) LICENSING:

- (1) Required. Any person owning, keeping, harboring, or having custody of any dog over three months of age must obtain a license as herein provided. This provision does not apply to the keeping of small caged animals, birds or aquatic reptiles and amphibian animals solely as pets.
- (2) Exception. No license or permit shall be required of any humane society, municipal animal control facility or licensed veterinary clinic.
- (3) Application. Application for licenses shall be made to the Village Treasurer and shall include name and address of applicant, description of the animal, the appropriate fee, information whether the animal is sexed or neutered, and a rabies certificate issued by a licensed veterinarian or anti-rabies client, illustrating that the animal for which the license is sought has received current immunization for rabies. (Written proof is required from a licensed veterinarian that the animal being licensed has been neutered.) Application for a license must be made within thirty (30) days after obtaining a dog or cat over three (3) months, except that this requirement will not apply to a non-resident keeping a dog or cat within the Village for no longer than thirty (30) days.
- (4) Fees. A license shall be issued after payment of the applicable fee:

For each unneutered male dog	\$8.00
For each unspayed female dog	\$8.00
For each neutered male dog	\$3.00
For each spayed female dog	\$3.00

- (5) Exception. License fees shall not be required for Seeing Eye dogs or governmental police dogs: licenses for the above shall be issued without charge.

- (6) Duplicate. A duplicate license may be obtained upon payment of a Two Dollar (\$2.00) replacement fee.
- (7) Disbursement. All dog license tax revenues shall be disbursed by the Village Treasurer in accordance with the provisions of Chapter 174 of the Wisconsin Statutes.
- (8) Issuance. Upon acceptance of the license application and fee, the Village Treasurer shall issue a durable tag, stamped with an identifying number and year of issuance.
 - (a) Dogs must wear identification tags at all times, except under any organized show or training situation.
 - (b) No person shall use any license receipt or license tag issued for one animal on another animal.
 - (c) The Village Treasurer shall maintain a record of the identifying numbers of all tags issued and shall make this record available to the public.
- (9) Term. All licenses shall be issued for a term of one (1) year commencing with the first day of January of each year, and terminating as of midnight on the last day of the licensing period. Application for licenses may be made from January 1 to April 1 of each year without penalty. Any license issued after April 1 of each year shall pay an additional Five Dollars (\$5.00), unless the owner can conclusively illustrate that the animal has been acquired by him within the last thirty (30) days prior to application for a license, or that applicant has established Village residency within the last thirty (30) days prior to application for a license, or that applicant has established Village residency within the last thirty (30) days prior to application. If not revoked, licenses for the keeping of dogs shall be for a period of one (1) year.
- (10) Census. The Village of Stoddard, may at such intervals, utilizing appropriate notice to the public, employ suitable persons upon such terms and conditions as it may see fit, to make a house-to-house census and issue warnings to owners then and there to procure their rabies shots and licenses. The Village shall impose an additional charge of Five Dollars (\$5.00) for each license issued in the course of such census.
- (11) Release from impoundment. Any dog which has been impounded as a result of being lost or at large, shall not be released to its owner until the owner can show proof of a current rabies shot and has paid the license fee prescribed in this Section along with an additional One Dollar (\$1.00). For purpose of collecting such fee under this subsection, the County of Vernon designated animal shelter is hereby designated the collecting official and said prescribed license fee along with the additional One Dollar shall be collected by the County of Vernon designated animal shelter. The prescribed license fee shall be submitted to the Village Treasurer and the additional One Dollar (\$1.00) shall remain with the animal shelter.

(C) ANNOYANCES:

- (1) No person shall harbor or keep any dog or any other animal which would be public nuisance as defined in this Ordinance.
- (2) Or by failure of the owner, caretaker or custodian to maintain in a clean and sanitary condition and free from objectional odor, all structures, pens, yards, and areas adjacent thereto wherein any dog or animal is kept.
- (3) Or by conduct following failure of the owner, caretaker, or custodian to keep such dog or animal confined on his own premises or under his immediate control.
- (4) No person shall tie, stake or fasten any dog within any street, alley, sidewalk or other public place within the Village, or in such a manner that the animal has access to any portion or any street, alley, sidewalk or other public or private property.
- (5) Every female dog or cat in heat shall be confined in a building or secure enclosure in such manner that such female dog or cat cannot come into contact with another animal except for planned breeding, provided, however, a dog or cat may be kept on a leash when under the supervision of a responsible person.

- (6) No owner shall fail to exercise proper care and control of his animals to prevent them from becoming a public nuisance.
